

PARENT INFORMATION NIGHT

PARENT FORUM ON INTERNET, SOCIAL MEDIA, AND TEXTING SAFETY

IN PARTNERSHIP WITH THE DISTRICT ATTORNEY'S OFFICE, Upper Darby School District presents a Parent Forum on Internet, Social Media and Texting Safety. Digital technologies, with all of their positive aspects, also pose potential risks.

Join **Sergeant Ken Bellis**, Commander of the Pennsylvania Internet Crimes Against Children Task Force, as he shares information on **how to navigate your child's digital world** and for safety tips and robust strategies parents can use to **protect children from digital dangers**. Parents can expect to learn tools they need to help their children make wise choices and understand the consequences of social media.

"Social media plays a big role in teen culture today. Surveys show that 90% of teens ages 13-17 have used social media. Seventy five percent report having at least one active social media profile, and 51% report visiting a social media site at least daily. Two thirds of teens have their own mobile devices with internet capabilities. On average, teens are online almost 9 hours a day, not including time for homework."
