April 2025 Edition

A Message from Principal Meehan

Hello Bywood Families!

It is hard to believe how fast this year is flying by! Spring Break is on the horizon and so are the PSSA tests. Of course I hope that your child and family are able to enjoy the spring break and rest and recharge to finish this school year out strong! Once we return from the break the PSSA tests will begin right away. It is so important that our students come to school each day during these tests. I know it can be a stressful time, but our goal is for the students to try their best and show how much they have learned.

Even after the PSSA tests are over, the students will still have other areas of the curriculum to stay on top of and work hard on. With the end of the school year approaching, there will be many fun and exciting events that we will be holding for the students as well. Please help us by encouraging your students to follow our three B's (Be respectful, Be responsible, and Be safe) during all of the fun activities that will be taking place. Thank you for your help and support from home!

Remember to Keep Smiling!
