March 2025 Edition

A Message from Principal Meehan

Hello Bywood Families!

March is off to a great start so far! We enjoyed Read Across America Week and all the fun activities that went along with that week. That same week we had two fifth grade students who were selected as student administrators for the day! They were able to follow Mrs. Newby and myself around for the day and learn the ins and outs of what it is to be an administrator. I must say they did a really amazing job, and I would feel confident in them becoming administrators in the future!

There is a lot coming up in the next few weeks as March concludes and April begins. Spring Break will start on April 14th and go until April 18th. Students return on Monday, April 21st. The week we return from Spring Break the PSSA Assessments will begin! It is hard to believe we are already so close to that time of the year. Please make sure, especially those PSSA weeks, that your child/children are here on time for school. There will be an incentive for those who are coming everyday on time. This will really help us out!

Thank you for all you do in the help and support of your student(s) educational success! As always, Keep Smiling!
